

**2016 CCSA
Pavement Preservation Work Shop**

**Preservation in the
Bicycling Community**

Julie Bueren, Director
Contra Costa County
Public Works Department
Julie.bueren@pw.cccounty.us

Background

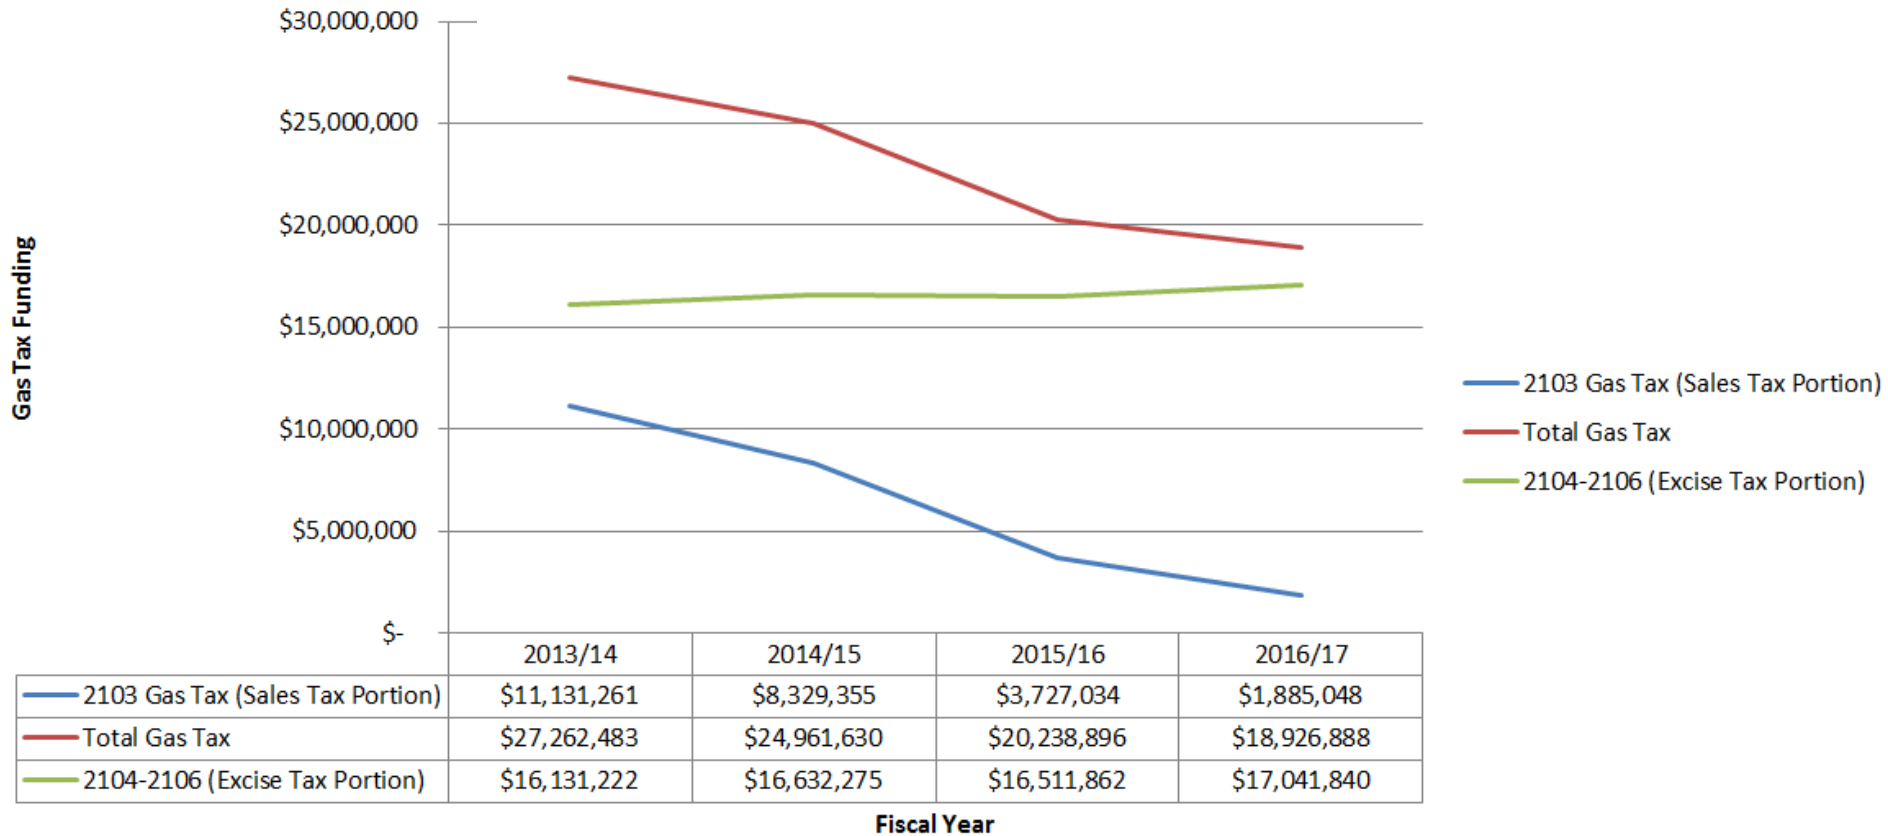

Why am I here today?

- My experience with Contra Costa County Public Works
- My experience with cycling

Contra Costa County Public Works

- 660 miles of county roads to maintain
- Limited budget

Contra Costa County Gas Tax

My experience as a cyclist

- My interest in biking started early

History of Cycling

- Before cars there were bikes
- Cyclists were the driving force behind paving roads

Complete Streets and Pavement Preservation

- Vehicles
- Transit
- Pedestrians
- Bicyclists

Meeting the needs of cyclists

- Pavement Surface Quality and Structure
- Planning
 - Choosing the right treatment

Meeting the needs of cyclists

- Outreach
 - Informing the bicycle community
- Construction
 - Keeping it safe for all users
